Class Act....about learning statements...

The reasoning behind learning statements is to help the public understand the value of the work you do with your students. We know every art teacher begins planning by thinking through each lesson's objective, so most of the work for a learning statement is already done. Just jot it down! Please don't make a big deal of these statements—they are just a quick way of giving viewers a bit more information when they look at your students' artwork. You will notice the form is small, that's because these statements should be short! They can be completed by you or, if you work with upper elementary students or older, the students can write them. The statement should be brief, written in plain English, and easy to understand. I would suggest that great pains be made to proof your spelling and grammar.

The statement should:

- Be brief—2 or 3 sentences at most
- Be neatly handwritten or typed
- Be about the assignment and refer to a group of work or describe a single work
- Explain the content of the work (i.e. design problem, expression of a style, visual story, etc.) or refer to learning in art history, reflect art criticism or an aesthetic discussion.

If you have any questions, please call the Art Center...269-962-9511.

Dear Parent/Guardian,

Elementary and Secondary art teachers from Calhoun County and the surrounding area have once again chosen student artwork for display in our Class Act 2019 exhibition. The free exhibit takes place at the Art Center of Battle Creek beginning Sunday, March 8 and continues through Saturday, March 28. This exhibit celebrates the best artwork created by kindergarten through 12th graders! We invite you to attend our free Class Act 2020 receptions with your student(s). Because of the tremendous response to the receptions—we have two receptions divided by grade level.

The Class Act Elementary (grades K-5) reception will take place on Sunday, March 8th from 2-4 pm at the Art Center. Art students and their teachers will be honored during this time. Refreshments will be served. Students present will have a chance to win door prizes.

The Class Act Secondary (grades 6-12) reception will take place on Sunday, March 22nd from 2-4 pm. Refreshments are also served. Exhibiting students have the opportunity to win a door prize during the event.

We look forward to meeting you and your family on reception day to celebrate the creativity of these students and their art teachers! If you cannot make the reception, please come in with your artists and family to see the exhibit! We are open Tuesday through Friday from 10 am to 5 pm, and Saturday 11 am to 3 pm. There is no charge to view this wonderful exhibit!

Come help celebrate the creativity of our young artists!
